

We ship anything, anywhere, any time. PRONTO

By choosing Pronto Global Air & Ocean Freight, you have selected one of the leading and most respected freight forwarding companies in Namibia. Being committed to the safe and timely movement of cargo by ocean, air or road freight. Our specialized and highly experienced personnel support our capabilities in global transportation.

Pronto Global Air & Ocean Freight is proud to be a 100% Namibian privately owned, totally independent company. Our independence gives us the flexibility to source the best deals and services available to our customers, as we are not affiliated with any particular shipping lines or airlines.

We are extremely confident of providing the level of service required to satisfy your demands. With high levels of communication we will keep you informed about the progress of your shipment every step of the way.
